AUDIT TYPE:

Announced Audit

AUDIT EXECUTIVE SUMMARY:

The scope includes an open farm growing Citrus, a total of 50 acres segregated by variety (initiated in 2012 according to the Manager), with representative varieties such as: Tango and Navel. There is a map making reference to the traceability system indicating the lot (extension/lot#), coordinates, neighbors, water source (2 wells), main roads. The crops are irrigated by using microjets sprinklers. During the audit, the main activity was focused on re-planting and irrigation, about 50 acres according to the Manager. The auditor performed a perimeter walk throw, the neighbors consist on private residences on the North, a main road on the South and groves on the East/West sides. Also review documentation/logs such as: SOPs, training attendees, suppliers, microbial analysis, fertilizer/crop protection applications, among others
